**"WE PUT LOVE IN ACTION THROUGH SERVICE"**

January 2020

VOL. 20 ISSUE 1

## **PRESIDENT'S MESSAGE-**

**Mary Evelyn Mitchell**

Dear Members,

We began this year in a big way with a successful Martin Luther King Day of Service. We also had the successful completion of 13 reports, plus a copy of our newsletter and our yearbook, that were submitted for judging by the various state GFWC Florida chairmen. A thank you for writing reports goes to each of the following: Linda Ferris., Jeff Anne, Kathy Stackhouse, Linda Walker., Sharon, Suzan, Donna and Janet Carlson. We are sure to have many winners.

For our Day of Service, nine members and one guest met at my house to take our donations to the Guatemalan-Maya Center in Lake Worth. Jeff Anne and I had shopped prior to the delivery using the \$400 that you, as members, generously donated. We had other members make contributions also so we were able to donate at least \$500 in items and gift certificates. The Center selected 10 families that they considered most in need and all of our donations disappeared in a flash as the families visited our supply table.. The participants seemed very needy and grateful of what we donated.

Please consider attending the District 10 Arts and Crafts Meeting on Feb. 29. We will also be

supporting Donna as our Volunteer of the Year on that day.

I hope to see you all at some of our projects this month.

In Federation Love,  
Mary Evelyn

**Guests:** We love to have guests come to meetings! Thanks, and welcome back Janet Portnow, she taught school with Suzan Close and Chris Smith. Janet attended some meetings last year, but her schedule kept her from attending regularly.

**Feb. 22: Lake Worth Street Painting.** We will go at 10 a.m. Saturday, since it is difficult to find parking. We will meet at Dave's Last Resort, as we did last year. We can see the sidewalk art, and have lunch if you wish. We will send out an email closer to the date. All members/friends/family are always invited to Membership events.

**March Ladies/Family/Friends Day:** 10 a.m. Thursday, March 5, we will go to the Flagler Museum, 1 Whitehall Way, Palm Beach. High Tea is included in the \$40 admission. We can tour the museum before enjoying high tea. At the museum, there is a special exhibit inside "Walk This Way," about historic footwear. The tea is only served during the winter season at the Flagler. At the meeting, we also discussed going to Serenity Tea House in downtown WPB, that's open all-year long. It's about \$30 each.

**Club picnic:** Save the date for our annual club picnic at 4 p.m. Sunday, May 24, at Meg and

Charlie's home. This will be a potluck dinner, for members, friends and family, each person contributing \$3 toward meat purchase.

**Gratitude Jar:** At January meeting, we started a Gratitude Jar, about things you are grateful about our club, or a club project or person. We will have cards at each meeting, and read them at the end of the year.

**Recruiting New Members:** Thanks to Suzan Close for bringing Beverly back to the club, and Linda Walker for recruiting Deb Griffin, who found us at the Fashion Show. We thank Phyllis for recruiting Alice and Kerry last year, and Janet Carlson for recruiting Donna. If you recruit 5 members, you receive a GFWC pin, according to Jan. 27 Membership Monday email. We look forward to initiating Evvy Bartley, who attended orientation in January, and has completed her requirements for membership. Her son made a surprise visit Jan. 27, that a prevented her from attending the meeting.

**Meet our two new members** who were initiated at our January meeting:

**Beverly (Phelps) Gallus**, is married to David, and they have 3 daughters, 5 grandchildren and 1 more on the way! She and David will celebrate 40th anniversary Nov. 17. Beverly grew up in New England, where her dad was in the Navy. She moved in Florida in 1968. She has a BS in special education, and is currently employed part-time at Berean Christian School. She enjoys cross-stitching and Geocaching, and she wants to be on the Home Life Department and especially help with Quantum House dinners. Beverly is also interested in helping with Arts Department, and loves that our club is very involved in the local community.

**Deborah (Deb) Griffin** has a son, Terrence, who lives in Brooklyn. She has two pups: Pinoli (Pugshu) and Ubu (Chihuahua/Terrier), and a Significant Other, David Pelzmacher. She grew

up in Syracuse, N.Y., and received a BS in Psychology and Sociology and a Master Degree in Social Work, Concentration Family Mental Health. Deb retired in October 2015, after 30 years of service with New York State, NYS Office of Mental Health. She ran a 54-bed inpatient psychiatric unit for serious and persistently mentally ill individuals, and supervised a multidisciplinary team of 100 staff. Deb was Director, Oneida Street Mental Health Clinic, a community clinic providing outpatient mental health services to 750 individuals. She was also Program Director at MidState Prison, Intermediate Care Program. She ran a psychiatric inpatient unit within the prison for mentally ill criminal offenders who were unable to be housed in general population due to their symptoms. Deb was a therapist in private practice, providing individual, conjoint, family and group therapy. Her Hobbies include Art, cooking, travel, camping, RVing, hiking, boxing, and reading. Deb moved to Florida in November 2015, and is interested in club projects relating to animals and social issues. She likes the spirit of service our club offers — giving back to the community. She wants to work on the Conservation Department, and help with projects related to social issues.

## CONSERVATION- Donna Cohen

It's only January and we've donated two large bags of animal enrichment holders to the Palm Beach Zoo and Conservation Society. ZooKeeper, Jenn Rodrigues and the other zookeepers use them for animal enrichment. Great start ladies! The animals say ...let's hunt!

Linda Walker donated her Christmas tree to the cats at **Panther Ridge Conservation Center**. Not only did she donate her tree, she personally delivered it. The animals at Panther Ridge say....she's the cat's meow!

**Donna Cohen received this message from Rick Lancaster (and Peggy Eltz)**

Thank you Donna Cohen and the Greater West Palm Beach women's Club for donating 40 cans of Trapping food. You ladies are the best and the cats and kittens of Palm Beach County thank you!!

The GFWC Greater West Palm Beach Women's Club is proud of the small role we play in improving the lives of the cats and kittens in our county.

**Peggy Adams Animal Rescue League**

has announced that their free spade and neuter program has been privately funded and will continue in 2020.

Our **Countdown2zero**, adopted trapper team, Rick Lancaster and Peggy Eltz were responsible for giving 662 cats and kittens better lives in 2019. We started off the year donating 40 cans of trapping food. Our goal this year is 400 cans (100 per quarter). We are off to a great start. Please consider picking up a can or two each time you grocery shop.

Donna provided information on the **Wildlife Corridor Conservation Act**, on our FB page, and asked those interested to call or email governor DeSantis. If you did please let Donna know.

On a Saturday January 25th, Deb Griffin and Donna went to the monthly **Sierra Club** meeting to get information on the Annual Everglades Festival at Arthur R Marshall National Wildlife Refuge. On a February 8th 8-4pm, along side the Sierra Club, our members can volunteer to hand out Everglades and Conservation information. Let me know if you would like to volunteer for a 2-3 hour shift. Even if you can not volunteer I encourage you to attend the

festival. It's free. I see other joint project in our future!

## **EDUCATION- Kathy Stackhouse**

One benefit of spending 13 hours writing the 2019 Education report is the feedback one receives in reviewing all that was accomplished. The Education Department had 35 projects, totaled 235 volunteer hours, donated \$3859 of scholarships, books, gifts, and instructional materials, and amassed \$1520 in In-Kind donations. We also put 284 new books in children's hands, which is over 100 more than in 2018. The only area where we need to improve is the number of members who participate in an Education project in 2020. Please make your literacy resolution now.

Eight members and three guests enjoyed the **Friends of the Library** sponsored event The Presidents and Their First Ladies. For 2020 actor couple William and Sue Wills portrayed George and Barbara Bush in several performances in libraries throughout the county during the month of January.

On Monday, January 27 four members traveled to Keiser University on Jog Road to judge in Regional **Health Occupations Students of America Competition**. It was quite the impressive event as 978 competitors, wearing black and white, came from 27 schools from Boca to Vero Beach to Okeechobee. Meg America had the very difficult task of judging essays and Mary Evelyn Mitchell, JeffAnne Pike and Kathy Stackhouse judged posters. We were impressed with the quality of the products we judged.

Goofing off after judging!

**Join the HHRC parties!** We will visit our three year old class on Wednesday, February 12 for our Valentine treat to our class. Kathy will read two books and we will leave each child a new book purchased by the LoveLikeLija grant and a goodie bag. Wear your best red and join us at 9:45 A.M.

The next visit is for the annual Read Across America national event commemorating Dr. Seuss birthday, on Monday, March 2<sup>nd</sup>.

## HOME LIFE- Suzan Close, Jean Allen, Beverly Gallus

The GFWC Home Life Community Service Program is designed to inform members of issues that affect the well-being of individuals, families, and communities by providing opportunities and resources to meet and address needs through volunteering. Through this program, clubs may develop and implement creative projects that promote a healthy lifestyle, increase awareness, prevention, research, and treatment of disease; target personal development; address the issues of hunger, inadequate housing, and homelessness; and/or prevent or correct financial difficulties.

Program ideas are endless. Consider projects that address issues such as women's health, theft prevention, service-dog programs, and individuals with disabilities, healthy lifestyles, life skill classes, healthy food choices, cooking classes, childcare, and preventing prescription drug abuse. Consider a program to help families at risk of food insecurity and health conditions driven by poor diets.

As you can see Home Life includes many possible projects. We are going to continue our Quantum House dinner project and the pillowcases. We will work with the GFWC Palm Beach Gardens Club & also the Juniorettes this year on this project. We are working on a date for the first one in March.

We will continue to make you aware of diseases issues and their prevention most months. The first is **Heart Health Awareness** for February. The National Wear Red Day is February 7<sup>th</sup>. Get

together with a few friends and take a picture wearing Red & post it on Facebook. Below is the list of the Heart Association's 21 Day Challenge for good health.

### **PUBLIC ISSUES- Cathy Hopkins**

If you are getting rid of any kind of luggage - do not take it to Goodwill. Clean it up and drop it off at your local foster care agency. Foster kids are often asked to transport their belongings from place to place in a trash bag. I don't ask you to share often but if enough share we can help just a little bit with the self esteem of these young people. Just a thought as we get closer to our Spring cleaning.

### **Forgotten Soldiers Outreach**

Thank you to all who brought chap stick/lip balm to the January meeting. Our collection for February will be collecting individual hand wipes. We will be giving our donations to our guest speaker at the February meeting.

### **Random Acts of Cookies**

Our next cookie delivery will be Tuesday February 11<sup>th</sup>. We will meet at JeffAnne's house at 10:00 to bag cookies then deliver them to a

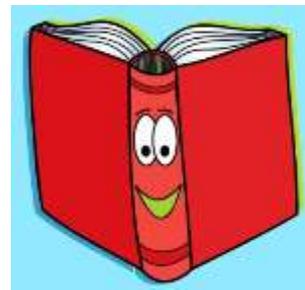

sheriff's sub- station, a fire station and the employees at the post office.

### **Mommy Bags**

We will be stuffing Mommy Bags on Tuesday Feb 18<sup>th</sup> at 10 am at Cathy Hopkins house. We will then delivery them on Wednesday Feb 19<sup>th</sup> at 10am. We will meet at Cathy's and then deliver to VA

We will once again be making a donation of a case of **Girl Scout cookies** for the troops.

Cathy is looking into scheduling a **CPR class** for club members and interested family members. Cathy contacted a local fire department and they will be more than happy to come to our monthly meeting and teach a class for free. The class would be about 1 hour. The date is to be determined.

### **ESO: Linda Ferris**

Our club had 6 members in 2019, who reported reading 128 books. Suzan Close read 48 total, as books over 500 pages count as 2 books. All books had to be reported to Stephanie Cantrell, our state ESO Chairman, by Dec. 31. Many more members read books but did not report. We hope to add to our club's ESO members in 2020. For those on Facebook, there is a ESO Florida Facebook group, that reads a different book each month. The January book was "Girl, Stop Apologizing." On Feb. 8, the FB group will discuss "A Gentleman in Moscow." You can go into FB group page and discuss any of the past books at any time. Suzan and I have commented on some of the books we read this year, including "The Book Thief," and "Where the Crawdads Sing." See me if you have questions.

## **PUBLIC RELATIONS - Linda Ferris**

**Facebook-** Lots of posts in December for our wonderful projects and also in January. Thanks to JeffAnne and Phyllis for posting on our official FB club page!

**Membership Monday-** We were featured in Membership Monday Jan. 27, with 2 photos of our donation to Guatemalan-Maya Center. Since our Nov. 25 meeting, we have been featured in Membership Monday on many dates. Quantum House dinner on Dec. 9, Random Acts of Cookies on Dec. 23, HHRC classroom books on Dec. 16, along with serving dinner for Sheriff's Dept. also Dec. 16.

I sent a different picture than I sent to MM of the Guatemalan-May donation on MLK Day to GFWC for New and Notes Thursday email. It was not in News and Notes Jan. 23, but maybe it will be included in Jan. 30 email.

Continue to use the **FB Discussion page** for quick suggestions and ideas. Remember not all members are on FB, so if you want all members to know about your project, use the email list JeffAnne sent out couple weeks ago. Do not use the Newsletter email list since many people outside our club get our newsletter.

**Pat on the Back-** Donna had pictures posted the first week of January on FB about donating Christmas trees to Panther Sanctuary and zoo enrichment items. Pat on the Back goes to Donna.

## **GFWC SPECIAL PROJECT- Domestic Violence Awareness and Prevention- Linda Ferris**

**New Mascara** collection for the women at Harmony House, will continue next month. This is a requested item for the women, according to a board member. Thanks to members who brought mascara in January.

**Birthday Bags:** At the January meeting, I showed you what goes into a Birthday Bag for the children in Harmony House, our local domestic assault shelter. We will collect items at February and March meetings, and deliver them for Child Abuse Prevention and Awareness Month.

**Projects for 2020:** Support for Grandma's Place for abused children, Pinwheels for Prevention, Harmony House donations, including clothing and shoes for children and women, Aid to Victims of Domestic Violence, better known as AVDA, located in Delray Beach, and our annual Purses with a Purpose, so save your gently used and new purses. If you have suggestions, I would love to hear them, and have some members join this committee.

**Welcome Deb Griffin:** After the January meeting, Deb volunteered to be a member of Domestic Violence Prevention Committee, as well as Conservation.

### Who am I?

I was born in Mass. To Quaker parents and attended Quaker schools. I was married in 1811 and was a housewife and the mother of six children. I was an active public speaker on black rights and women's rights, including suffrage and education. Many during my time did not support women's public speaking. I was often threatened with violence because of my views. I wrote a "Declaration of Sentiments" by inserting the word woman in the language of the Declaration of Independence. I helped found Swarthmore College and also wrote "Discourse on Women" Who am I?

### MLK Day of Service

PERSONALS

Dear friends,

My sister, Mary Jane Raber Hefner passed away on November 24th. She was in the Lucy Smith King Care Center which is a hospice center attached to the Methodist Hospital in Henderson, KY. When Meg told me you had collected money in her memory, I felt like crying. I certainly did not expect this. Thank you so much for all the cards and sympathy. This is like a birthday gift because her birthday was January 22nd. Mary would have loved to be in our club. She would have been 64 and I was 74 on January 3rd. The gift will go to the hospice center above. They were wonderful and treated her like family. This is a picture of 3 of my sisters & my brother, Tim. Mary Jane is sitting down in front of me. This was taken in June. I am proud to be a member of this club. Love you all, Suzan Close
